Come to Omaha - And help us celebrate 50 Years of Great Sales

In all Shorthorndom, there has never been anything quite like Omaha . . . 50 years of continuous record selling to buyers from over 25 states and Canada. . . . demand from top flight registered and commercial cattlemen that cannot be exceeded by any other like sale in America.

For many years these annual Omaha events have been America's largest, and bulls of outstanding herd heading quality have moved out readily to top notch cattlemen over a wide area. This year's offering is one of the best ever made at Omaha, big rugged bulls mostly two-years of age but also a few outstanding senior calves and yearling. These are good sound, rugged, healthy bulls. Many of them have been semen tested and there are several consignments of from four to ten bulls each, all half-brothers and all handled together, ideal for the man who wants a group of bulls that can be turned out on the range. We know that you cattlemen don't need these big, overfat cornfed bulls, so you will like the way these bulls have been developed, they are hard, they are sound legged, they are ready to go to work when you turn out this spring. Buy them now and you have got just the right amount of time to get them fully acclimated to their home surroundings.

You will also notice that this year at Omaha we have added a few very choice and select females so come prepared to fill your needs in these two big selling days where over 200 head of top quality shorthorns and polled shorthorns are being shown and sold. If you want more information write to any of the consignors or to myself and we'll try to be helpful and remember too that trucking and shipping facilities from Omaha to any part of the country are convenient and readily available.

SEWARD, NEBRASKA

.....

This is our Golden Anniversary Sale at Omaha . . . and we are going all out by adding many special features to properly celebrate it and rightly so because there is only ONE OMAHA. Special trophies for the Champions, other for the all time high selling bulls, longest continuous consignors etc., all to be awarded at our big BRANDING PARTY. This will be held on Wednesday evening, February 10, at the Ranch Bowl at 1600 South 72nd Street, just west of Aksarben Field. The time is 6:30 p.m. and this will be an informal affair. Come as you are, a good time and good food are the feature. Remember . . . everyone interested in Shorthorns and Polled Shorthorns are cordially invited to attend and note that this will be held on the evening prior to the SHORTHORN SALE.

L M LAD'S JUGGLER -- Is another good dark red bull by and sired by an outstanding son of Westdrums Dandy. His dam is sired by undefeated grand champion bull of the 1949 National Easter and International Livestock Shows. Winner of British Challenge Cup for the best Shorthorn at Chicago. Loren Meyer purchased a full brother of this bull as a calf from us. He was grand champion in different fairs and went on and was champion Shorthorn in St. Paul. This bull is bred in purple. Should sire the right kind. Will be semen tested.

STANDARD GUARANTEE

RECOMMENDED BY THE AMERICAN SHORTHORN BREEDERS' ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
